

7 May 2008

Dear Parents,

**Children's University/Kids College Gardening Club
Year 2 children only**

I am planning to start our Vegetable Growing Club every Monday lunch time from Monday 12 May until the end of term.

The children will not only grow vegetables but also keep a diary of what they are growing. In order to qualify for a Children's University module they will need to attend regularly.

Places are limited to 10 children. If your child is interested please fill in the slip below and return to school as soon as possible.

Yours sincerely,

Debbie Price
Head Teacher
