

25 November 2009

Dear Parents,

READING MENTORS

I led a group on an educational visit to New Mexico during the half term holiday and one of the schools we visited ran a very successful reading mentoring scheme which we would like to introduce to this school.

Volunteers from the community who can spare one hour per week are partnered with children to hear them read. The volunteers will be with the same children each week so they will become very familiar with their learning.

Because of the nature of this CRB checks will have to be carried out **before** the volunteers can begin.

If you know a relative or neighbour who would be interested please ask them to get in touch with school. Training will be given by Cherril Day from Year 2. We envisage this starting in January 2010 if enough people want to help.

CHRISTMAS DINNER (INFANT SCHOOL ONLY) MONDAY 14 DECEMBER

If you have booked up for your child to have a Christmas dinner payment can now be made. All payments must be made no later than Monday 7 December.

Yours sincerely,

Debbie Price
Head Teacher
